

MOTION BY SUPERVISOR ANTONOVICH

NOVEMBER 9, 2016

The California High Speed Rail Authority (CHSRA) Board of Directors have conducted meetings in Los Angeles County when important actions or updates regarding the Palmdale-to-Burbank section of the proposed high speed rail project have come before them. These meetings have been held at Los Angeles County Metropolitan Transportation Authority headquarters, at Palmdale City Hall and, last year at the Ronald Reagan State Building in downtown Los Angeles.

Since the meeting in 2015, San Fernando Valley residents who may be significantly impacted by the proposed alignments currently under consideration have called for CHSRA to conduct a board meeting in the San Fernando Valley. The CHSRA board should honor this request to demonstrate its commitment to impacted communities and to promote public participation in the San Fernando Valley.

I, THEREFORE, MOVE that the Board of Supervisors send a five signature letter to the CHSRA Board of Directors, urging them to conduct their next meeting of importance to the Palmdale-to-Burbank segment in the San Fernando Valley.
